

Activity Booklet

Once Upon a Sign

The New

Three Little Pigs

in American Sign Language

Activity Booklet Instructions

The Three Little Pigs Activity Booklet uses characters and vocabulary from the *Once Upon a Sign* video *The Little Red Riding Hood*. The booklet contains 11 different activities/worksheets to help enhance fun and increase learning for young viewers of this updated tale.

WHAT IS ASL?

ASL is a language used for over two centuries by Deaf people in the United States and Canada. With every passing day, children at home, in daycare centers, and in classrooms are learning ASL from their parents, caretakers, and teachers.

DEPARTMENTS OF EDUCATION RECOGNIZE ASL

Now, states like California have Common Core Curriculum for Kindergarteners that includes teaching about ASL and the culture of Deaf people!

ASL FOSTERS EARLY LANGUAGE ACQUISITION AND LITERACY

ASL has healthy benefits for young children between the ages of 1–3 including building language pathways in the brain, which accelerates the child's language comprehension. With this language acceleration, the child develops reading comprehension with a larger vocabulary at a younger age.

DIRECTIONS FOR THE ASL FOLDER

The following two pages are meant to be a front and back cover for kids' ASL Folders. Print the pages out to glue on a folder or manila envelope that will hold the completed worksheets. The DawnSignKids logo page is the front, and there is space for students to add their name to the folder. On the back of the folder, glue the American Manual Alphabet as a guide for children to identify fingerspelled letters while working on the activities.

Once Upon a Sign is a series of classic children's stories re-created with modern themes and performed entirely in ASL. With voice-over and English or Spanish subtitles, the videos are accessible and fun, and can be used in a variety of ways from simple entertainment to comparing the ASL version of the stories to the classic tales. The seven titles in the series are ***Jack and the Beanstalk***, ***Little Red Riding Hood***, ***The Magic Mirror***, ***The Stone Soup***, ***Goldilocks and the Three Bears***, ***Three Little Pigs*** and ***The Boy Who Cried Wolf***.

You can read more about the series, each story, and view trailers at www.dawnsign.com/once-upon-a-sign.

DawnSignPress creates, develops, and publishes quality American Sign Language and Deaf culture-related videos and books. For over 35 years DawnSignPress has created quality ASL children's materials, including literature that features ASL.
